

Wall-Mount Security Safe for Chromebooks and Tablets

Model #DS-CB-WM-15

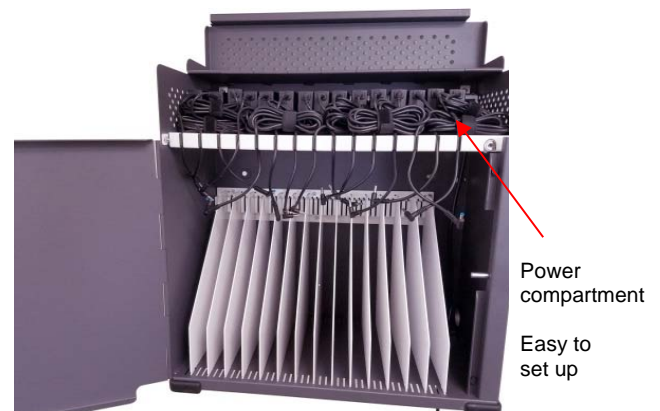

Contract Number: B222601

FAMIS #35-8035.51.1

Vendor Code: DAT014

Price: \$775.00

- Secures and recharges up to 15 tablets and Chromebooks (up to a 14" screen)
- 15 UL-listed power outlets; single exit cord
- Datamation Systems' innovative QUICK→SET: power supply bricks plug directly into IEC adapted outlets (adapters included). This removes 45 feet of cabling, making the installation/integration of the cabinet quicker and neater than any conventional cabinet.
- Separate secure compartment for power and cords locks when the door is closed
- Excellent drop-down cable management
- Innovative slam-lock is as secure as a car door
- Overall dimensions: 21.7"W x 11.8"D x 21.4"H
- Divider slot dimensions: 1.2"W x 10.5"D x 15.5"H
- ABS fire-rated plastic dividers, removable and adjustable in 1/4" increments
- Easy to install wall mounting plate included (customer provides screws, bolts or fasteners appropriate to wall conditions)
- Powder coated paint (charcoal)
- Meets all applicable safety standards
- FedEx or UPS shippable
- Weight: 50 lbs. (58 lbs. shipping weight)
- Proudly made in the USA
